

/// About I E E P I

IEEPI (European Institute for Enterprise and Intellectual Property) was created by the French Ministry of industry and the French patent office (INPI) in order to develop the strategic use of intellectual property (IP) and train managers in the IP field.

/// OUR ACTIVITIES

- › Promoting the knowledge and use of IP-tools in businesses, particularly SMEs.
- › Offering specific trainings to businesses and research organisms to lead the development of IP related topics in their managerial practice.
- › Developing an offer of innovative trainings: new issues, training actions, creation of a Serious Game on IP...
- › Going international : European projects, international partnerships, trainings in English.

/// OUR TARGETS

- › SMEs, businesses
- › Research institutes and universities
- › Support structures for innovation
- › Industrial Property Offices, lawyers or consultants

/// OUR COMMITMENTS

/// OUR OFFER

Our training catalogue includes more than 120 days of training in France per year which deal with:

- ☑ Intellectual property strategies and patent portfolio management
- ☑ Open innovation and collaborative research
- ☑ Licensing, technology transfer and contracts
- ☑ IP valuation
- ☑ Patent litigations

VARIOUS FORMATS:

- ☑ Short courses (1 to 3 days)
- ☑ Licensing course (10 days)
- ☑ IP and Innovation Diploma « Intellectual Property Strategy and Innovation »

IN-HOUSE COMPANY TRAININGS:

IEEPI proposes in-house custom-made training, adapted to the audience.

Thanks to this very flexible formula you receive:

- ☑ Trainings adapted to your specific needs and fitting your business, its culture, issue and strategy, and correlated with the targeted people's needs.
- ☑ A flexible and responsive organisation of training sessions
- ☑ An effective follow-up: evaluation of trainings, assessment, recommendations.
